## FOR IMMEDIATE RELEASE

Spring is here, and the itch to get outside, enjoy the sunshine, and breathe some fresh air is growing stronger in everyone. Noble Trails, Inc. has the perfect opportunity to get outdoors: the Inaugural Fishing Line Trail 5K Run/Walk.

The 5K Run/Walk will be held on Saturday, April 29, 2017, with registration and check-in opening at 7:00 am, and the race starting at 8:00 am. The race will begin at the Gene Stratton Porter State Historic Site in Rome City. After a section following local roads, the route will enter the Fishing Line Trail to travel back to the finish line at Gene Stratton Porter.

Awards will be given for the overall male and female runners, and for the top three male and female finishers for each age group, from youths to seniors. Walkers will leave immediately following the runners. And, in case your feet grow weary, Noble Trails will make the rounds to pick up those who need a break.

Registration is open at [www.nobletrails.org](http://www.nobletrails.org). Registration fees are \$15 for pre-registration payments and \$20 for registering on the day of the event. All proceeds go to the development of more sections of the Fishing Line Trail.

For those who want to learn more about Noble Trails, there will be a meeting at Parkview Noble Hospital in the Hunter Room on Wednesday, April 19, 2017 at 7:00 pm, to give you an update on the progress of the Fishing Line Trail. Noble Trails has accomplished a lot, but there is still work to do to complete the trail. For those willing to help, a fund drive for the Fishing Line Trail will kick-off with the 5K run/walk on Saturday, April 29. Learn more about the fund drive at the meeting.

So mark your calendar for April 19, and pre-register for the 5K on April 29. Start training now. Visit the Fishing Line Trail to condition yourself for the event. And above all, enjoy the Fishing Line Trail.
